

## Phoebe does Lion King Junior

**Lion King Jr** is December 1<sup>st</sup> and 2<sup>nd</sup> at the 24<sup>th</sup> Street Theater – 2791 24<sup>th</sup> Street. Due to popularity of the show, there are 2 Phoebe casts this year – the Prideland cast and the Jungle cast. Dragons have been working since September to bring this special production to you. Buy tickets at [www.youngactorsstage.com](http://www.youngactorsstage.com) before it sells out.

## December Charity Drive

With the recent fire in Butte County, our hearts are broken by the devastation. We put a call out to the Phoebe Hearst Community, seeking names of impacted families with ties to Sacramento.

We are happy to announce that for this year's charity drive, each classroom will adopt a family that lost their home in the Butte Fire. Teachers and room parents will receive and distribute "family details" to your class. Note that in most cases gift cards are what is needed.

Some other important details to note:

- Students will be writing letters/creating cards for their family. These will be packaged with the gift donations at the end of the drive.
- Classes will also be decorating small boxes to hold gift cards and other donations – and package everything for delivery to the families at the end of the drive.

We hope you will team up with us to send our love and support to these families. No gift card amount is too small!

## Reminder that the Craft Fair is No More

We have a lot of love for the craft fair, but it caused some unnecessary stress for families rushing to the school to buy their child's craft. Holiday crafts will be managed by individual classrooms going forward. And, we'll now put all of our good energy toward the December Charity Drive!

### + Mark your calendars

**December 1–2:** Phoebe Hearst's Lion King Jr.

**Dec 3<sup>rd</sup>:** Kickoff of Charity Drive for Butte County Fire Victims

**December 24-January 6<sup>th</sup>:** Winter Break

# FEATURED FARM PRODUCE

Organic

## Hidden Rose Apples®

*from Dragonberry Produce in Oregon*

Dramatic and unique, Hidden Rose Apples® are a special addition to our produce bars this month, supplied by Dragonberry Produce in Oregon.

The skin is pale yellow with a faint red blush and freckles. Bite into one and you'll find it crisp and juicy, with flesh inside that's vibrant pink! The taste is tart and mildly sweet, with hints of strawberry lemonade.

This hard-to-grow fruit appears only in

October and November, when the Pacific Northwest climate is mild.

The first Hidden Rose Apple® orchard was planted by Eric Schwartz in 1992. Eric has farms in Oregon and Washington and is a conscientious grower who cares deeply about land preservation and minimal use of chemicals for all growing operations.

**You'll see these apples available the first week of December on all salad bars!**
