

What? The **Phoebe Hearst Home Run Reader** (distance learning 2020–2021) program is a school wide reading incentive program. This program is designed to challenge and reward all students for their extraordinary efforts towards improving their reading skills. This 4 level, tiered, reading incentive program comes with rewards...the more you read, the more you win! The reward levels are as follows:

- ◆ **Keep Reading:** Earned if a log is turned in and the total minutes read are below the single level.
- ◆ **Single:** Totals listed below and on monthly log.
- ◆ **Double:** Please see our webpage for monthly prizes. phoebehearst.org/home-run-reader
- ◆ **Triple:** We will update the prizes monthly.
- ◆ **Home Run:** Mrs. Pechette will announce contactless distribution date that will take place the following month.

Who? All students are encouraged to participate. You **MUST** turn in your monthly logs!

When? This reading program runs October 1, 2020–March 31, 2021. Usually, the program culminates with an annual prize distribution and a Home Run Reader Night at the River Cats game in the spring. We don't know if the River Cats ballpark will be open for our year-end celebration in 2021, but rest assured, we **WILL** celebrate and there will be prizes **MONTHLY** for each level and our top readers across all grades!

Where? Minutes read **OUTSIDE OF SCHOOL** are counted in this program! So, record the minutes read outside of school on each day. All students will receive reading logs in the schoolwide email distributed at the end of each month or you can access anytime at phoebehearst.org/home-run-reader. These logs will be printed at home, filled out during the month, and then emailed to homerunreader@gmail.com. If your teacher has asked you to turn your logs into them, please remember to CC them on the email. Also, please enter your total minutes read each month on our webpage at <https://phoebehearst.org/home-run-reader/>. For your minutes to count towards your program goals/prizes **BOTH** the totals must be submitted through <https://phoebehearst.org/home-run-reader/> and the form emailed to homerunreader@gmail.com please by the 1st Monday of the following month. (11/2/20, 12/7/20, 1/4/21, 2/1/21, and 3/1/21)

Why? Phoebe Hearst students have a proven track record of excellent reading skills. These skills should be rewarded! Students will also be motivated to take their reading to the next level.

How? Read every day and record the total minutes read per day on the reading log. Turn in the reading logs **EVERY** month, and watch your reading soar! Total program reading goals (October 1st–March 31th) are tiered into 4 reward levels and are defined by grade level, so all students will have an equal chance to succeed!
