There will be no drop off or pick up from the O street gate. Students will enter one of the one of the gates noted above, be health screened and receive a paper wrist band. All students will enter and stand on a social distanced dot until teachers lead them to their classroom. Only cleared volunteers will be allowed on campus and only during specified times agreed upon by teacher/admin.

Pick up will be at specific locations as notated above and will be staggered based on the geography of the classroom to ensure social distancing. Again, please help us ensure social distancing by waiting outside the gate for your child.
