 - Welcome & introduction of Interim PTO Board
 - What we do, why we do it, and where the money goes
 - Phoebe is unique in that they don't get the same level of funding as other SUSD schools for a variety of reasons so to have additional enrichment programs, we must fundraise for that.
 - PTO-led fundraising efforts pay for items such as:
 - Music and art programs
 - Campus beautification projects
 - Field trips
 - PE activities, funds for teachers and more
 - Your fundraising efforts and donations drive all of those programs.
 - Our marquee fundraiser is the Jog A Thon, as well as The Event
 - Family events such as Skate Night, movie night, Harvest Festival and others.
 - Speaking of that, our PE teacher, Adam Eisner, joined to present a few items!
 - he'd like to lead an effort to build a climbing wall at the end of the campus in the Kinder area - that would be for kinders specifically
 - He'd like to build a ball wall where there is currently a mud pit on the field

- Between the 60th street and the ball wall, he'd like to designate that area as a PE area.
- Importance of our community and school culture and the values we share
