NOW ENROLLING: WINTER VIRTUAL ACTING CLASSES

SATURDAYS, JANUARY 16TH TO MARCH 6TH

STC's Winter Acting Classes allow students to tap into their imaginations by starting a lifelong relationship with theatre. In a nurturing, non-competitive atmosphere, students gain self-confidence while increasing skills in public speaking and cooperation. With concentration on character development, improvisation, and the rehearsal process, Acting Classes incorporate theatre games, scene study, and audition techniques for students with all levels of experience. These classes are virtual and will have a final performance during their last class. If CDC guidelines change and we are able to move to in-person, we will update you with a location

1st-3rd Grade (\$160)
